

D. A. R. ADOPTS YEAR PROGRAMME

Faith Trumbull Chapter Began Patriotic Education and Vacation Playgrounds—Mrs. P. J. Cassidy Tells of Success of Latter Here—Chapter to Place Guida in Several Languages in Otis Library.

Faith Trumbull chapter, D. A. R., held its first meeting of the winter on Tuesday afternoon at the Norwich club. The chapter has newly adopted the plan of having the second Tuesday of each month as the regular day for the meetings this year. A programme for the entire year has also been made out, in which each member of the society is to have some share, and printed in attractive little year books. The topic of this month's meeting was Patriotic Education and Vacation Playgrounds. The November meeting is to be on Ancestral Notes; December, music; January, social and package sale; February, New Historical Art; March, Women in Colonial Times and the Woman of Today; April, Stagecoach and Tavern Days; May, The Continental Congress; June, annual meeting.

The meeting was conducted by the regent, Mrs. Will L. Stearns, and the subjects presented proved most timely and vitally interesting, so that an enthusiastic discussion upon them followed. Mrs. Stearns spoke of the meeting in Windsor on Monday and the emphasis placed there upon the dissemination of the Guida. Mrs. Howard Mead told of many different lines of work done by the education department of the D. A. R. in states and chapters all over this country. Among these various activities are the Immigrant Guide, work for the flag, for the history of our country, scholars, gifts to schools and colleges, boys' clubs for civic education, mothers' clubs, lectures, D. A. R. summer schools, playgrounds and even moving pictures of historic and patriotic nature. Mrs. Patrick J. Cassidy read a paper giving the history and work of the Norwich Playground association for the past year and a half since its inception, and telling of the success of the six grounds in use this summer.

Mrs. Elizabeth B. Davis made an eloquent plea in behalf of the Guida and of getting it into the hands of those people to whom it would be invaluable. There are so many of these people in Connecticut, one-third of the population being foreign born, and here in our own city are 2,000 people of one foreign nationality alone, with many other countries represented. In response to her appeal the chapter decided to buy a number of copies of the "Little Green Book" in each language, Italian, Yiddish, Polish and English, and in a few days some of these will be placed in the Otis library for general circulation.

A letter from Mrs. Dwight L. Mason, a Norwich daughter living in Tacoma, Wash., gave interesting news from that city and was much enjoyed.

The musical part of the programme was a delightful feature. Mrs. Augustus Sullivan gave two groups of songs in the voice and her selections were charming. My Sweet Wild Rose by Trotter and Absent by Metcalf and Tost's Goodbye followed by another encore number were given. Refreshments were served by the social committee at the close of the programme.

RAISING ARC LIGHTS ALONG WHITE WAY.

Better Lighting to Be Secured in This Way.

This week Supt. William F. Bogue of the gas and electric department has begun the work of raising the new flaming arc lights on the poles along the Norwich White Way. Six lights from Burnham square to Franklin square have already been raised.

Because of the greater brilliancy of the new lights over the ones they replaced, it was expected that the new ones were put up that they could be raised on the poles, and this has now been done, resulting in better service from the lights and better lighting of the streets than if the arc were down lower on the poles.

STATE HOSPITAL TRUSTEES HAVE ANNUAL MEETING.

Superintendent, Pollock Makes His Report and Treasurer Ayling Gives Account of Expenses.

Tuesday morning at 10 o'clock the regular meeting of the finance committee of the Norwich state hospital was held and the bills for the current month were approved. This preceded the annual meeting of the trustees, at which Supt. H. M. Pollock made his report, stating that there were 978 patients in the hospital at the present time. The cost of maintaining the hospital for the past year with an average of 1,015 patients for the year was \$152,542.34. The expenses of the institution for the year, by departments, are as follows: Administration, \$17,528.11; administration employees, \$118.12; corridors and basements, \$3,560.40; harbor, \$235.41; colony, \$2,916.30; engineer, \$13,645.08; employees' quarters, \$57.58; farmer, \$2,467.47; farmer's house, \$78.43; freight, \$211.65; grounds, \$768.58; industrial, \$311.42; kitchen, \$50,162.56; employees' quarters, including kitchen, \$58.44; laundry, \$2,980.35; laboratory, \$543.53; matrons, \$416.52; nurses' cottage, \$233.74; operating room, \$98.67; photo room, \$74.22; sewing room, \$1,423.42; storeroom, \$1,240.61; superintendent's home, \$931.96; staff house, \$1,127.57; male wards, \$21,236.60; female wards, \$20,854.47; others, \$3,875.03; total, \$152,542.34.

Superintendent Pollock reported that 1,092 patients were treated through the year and 890 were admitted. One hundred and three of the patients were released and three of the patients were returned after being given their freedom on trial.

The following report of receipts and expenses was made by Treasurer Nelson J. Ayling:

Receipts: October, 1911, balance on hand, \$501.94; cash, \$26,000.23; November, \$14,545.51; December, \$19,226.82; January, \$17,438.08; February, \$18,972.25; March, \$11,104; April, \$17,543.99; May, \$23,135.75; June, \$17,468.33; July, \$10,202; August, \$29,582.42; September, \$31,554.40; total, \$255,079.75.

Expenses: October, 1911, \$18,162.15; November, \$18,625.34; December, \$28,141.45; January, 1912, \$3,898.24; February, \$16,717.33; March, \$14,425.69; April, \$15,568.18; May, \$19,820.62; June, \$23,752.31; July, \$26,573.52; August, \$25,000.27; September, \$34,997.76; total, \$251,180.71; cash balance, \$4,899.05; total, \$255,079.75.

The board of trustees elected officers owing to the fact that this was the last regular annual meeting before the coming session of the legislature. At 1 o'clock the trustees and their wives, who were invited, sat down to dinner in the home of Superintendent Pollock. After the dinner the buildings and the work under construction were then inspected. Those present at the meeting were: Edwin C. Pinney, Stamford Springs; Dr. Franklin H. Mayberry, East Hartford; Edward P. Hollowell, Preston; P. Leroy Harwood, New London; Gen. Edwin S. Greeley, New Haven; Dr. Clinton B. Stark, Hon. H. H. Gallup, Judge Nelson J. Ayling, Norwich, and Dr. Frederick E. Wilcox, Willimantic.

Three recent changes have taken place in the staff of the hospital and they are as follows: Dr. John Dr. G. Fletcher Souder and Dr. W. S. Brinsman, who succeeded Dr. Lovell, who has gone to New Jersey, Dr. Brewster, who is taking a post graduate course at the Albany Medical college, and Dr. Harmon, who is at the Massachusetts Institute of Technology. It is expected that the new clubhouse will be ready for use about Jan. 1, as the building operations at the hospital are progressing quite rapidly. The barn is about completed at the present time and the new dining room will be ready to use about the first of February. The foundations for the new wards are both in and the work of putting in the forms for the concrete work on the first floor has been started. The Norwich Electric company of this city has received the contract for wiring the wards. The contract was for \$2,618.

NEW POULTRY FOR PLANT.

Joseph Soltz of New London has purchased the entire lot of poultry at the farm of M. F. Plant. There was about 1,700 head in the purchase and an entire new lot of poultry will be obtained at once to replace those disposed of.

Gym Classes Opened.

The gymnasium class season opened at the Y. M. C. A. on Tuesday when the classes of business men, the employed boys and the intermediates were down on the floor for apparatus work and basketball. Today the Academy seniors and the juniors are scheduled to start the season.

People who travel at a rapid pace aren't necessary fast friends.

FRED L'HEUREUX PRESIDENT OF SENIOR CLASS.

Elections at Trinity College for the Christmas Term.

Christmas term officers have been elected by the senior class at Trinity college. Frederick J. L'Heureux of Jewett City was elected president. He was captain of the baseball team in the spring of 1912, and was elected student marshal by the student body for the commencement exercises. He has also been connected with many of the important committees of his class, including the sophomore smoker and the sophomore class committee. He is a member of the Phi Gamma Delta fraternity.

Reservoir 129 Inches Down.

By the records at the water office Fairview reservoir was shown to be 129 inches down from full pond at the beginning of this week. At this time last year Fairview reservoir was approaching its lowest point for the water department's fiscal year, which the reservoir reached on Oct. 13, 1911, when it stood at 266 inches below full pond.

The Maurice Sample Shop

WEDNESDAY SPECIAL Coats Women's and Misses' Sizes \$10.50

A collection of late styles, made of soft, warm materials, appropriate for street or motor wear. The materials are such as rough cheviots, English tweeds, diagonal mixtures and others.

Good Eaters Are Good Fighters

Whether at Work or Play, Endurance Comes from Good Digestion, Always Assured by Stuart's Dyspepsia Tablets.

Men and women must have quick wit and good grit to stand the day's battles. A dyspeptic may get away with his work, but is always at sword's point with those around him. A good stomach and a good meal well digested puts us in a good, jolly fighting mood, the sort that mows down work and commands the hearty co-operation of our associates. The man at the head of a business who has a good stomach has behind him a good fighting force against competition and the daily mixups that are bound to take place. In fact, a well organized business is like our digestive system.

Stuart's dyspepsia Tablets as soon as taken into the system go right to work as assistants to the stomach, rendering it an immense amount of help in working out the very complex processes of digestion, encouraging it in the performance of its functions, relieving it of a portion of its duties, thereby allowing it a temporary respite, and also toning up, strengthening, revitalizing its secretory glands, mucous membranes, absorbing glands and muscular walls in such a way that the stomach soon recovers its lost powers of digestion, motility, assimilation and ultimately does its work as well as ever without outside assistance.

These powerful little tablets contain in a concentrated form every element necessary to digest all forms of food, whether meats, vegetables, cereals, eggs, fish, etc., and they act equally well in an acid or an alkaline medium. If your stomach is ailing, does not digest as quickly or as thoroughly as it should, and your entire system in consequence is suffering from malnutrition and mal-assimilation, you owe it to yourself to give the abused stomach assistance to help it out of its present condition.

The solution of your stomach-trouble problem is easy. Go to your druggist at once and secure a package, then take one or two after each meal or as required, then note the difference in the way you feel. All druggists sell them. Price 50 cents.

Too Many Leaves for Hunters.

Hunters who have gun licenses had a fine day on Tuesday to try their aim in the woods, as the leaves were off on quail, partridge, woodcock and gray squirrels. There are too many leaves yet to make shooting accurate, but it adds zest to the sport and lends a protection to the game, and also adds to the element of danger, as it is easy for one hunter to shoot another through the leaves.
